THIS WAS A GREAT SHOW! We had more entries at this show than we have probably ever had. The quality of the birds shown was terrific! Most of the birds were in nice condition. The judge, John Hoekstra, was a new judge for the club and he did an outstanding job. Thanks John! The winning bird was an old white cock shown by Rick, a very nice bird but all of the class winners were very good birds at this show.

We tried a new system of judging where all 4 divisions in a class were brought up to the judging area at once and they were judged irregardless of sex or age. This automatically produced the class champion, reserve champion and placed all birds in each class. It certainly helped to speed up the judging process.

As a club we worked hard to make this a very visible show for us. We set up 12 large judging cages in a U shape and had skirting around the base, backers around the cages, lights above and the tables were raised to just over 4' above the floor. All in all, it was very impressive, especially since the show chairman, Mike Thompson, allowed us to be located right in the center of the show hall. We received lots of compliments all around. I want to specifically thank Sue Lindo for her help in looking after all money at the show and her sons Isan and Maxime. They worked all day to help with setup, running birds, carrying out all kinds of tasks and finally helping to take down the show and get the supplies ready to be loaded up. Thanks Boys, it was really appreciated! The entire Lindo family helped to make this a great show.

The club held the AGM before judging started and there was an auction after judging.
