COMMENTS:

Entries were down for this show as many breeders had birds going through the moult still.

Having Ted Golka judge the birds was a treat. He inspected all birds equally, gave them all a chance to show themselves off, chose his class order efficiently and then explained his choices to the assembled members in such a way as to help them understand the birds better. I am sure everybody there went home with a better understanding of their birds.

The judging area was once again well put together. Thanks to all who helped to put it up and take it down, especially Isan and Max Lindo.
