## SUMMER 2016 BULLETIN

Message from the President, Floriano Lindo

Hi everyone,

Hope all is well for you and your families. Breeding season is well under way and I hope that you all have lots of young ones. Up to now, our breeding season is very good for us for both the Indian Fantails and Modenas.

This year, our friend Angelo Biffi has offered to host the Annual Lawn Show at his home. We will be doing our show in conjunction with the English Trumpeters Club. The following are the Event details:

**Annual Lawn Show and Auction Event**  
**Presenting Indian Fantail and English Trumpeters Clubs**

**Saturday, August 20, 2016**  
**Starting at noon**

**5989 Centre Wellington, RR # 5**  
**Rockwood, Ontario N0B 2K0**

**--- BRING YOUR LAWN CHAIRS ---**

**ENTRY FEE is \$10 per person, includes:**

- Bird entries to the show**
- BBQ (hamburgers, hot dog, salad, refreshments and desserts)**

In addition to the **Bird Show**, there will be a **Bird Auction**, so if you have extra birds that you would like to sell, this would be a good opportunity.

In order to set up the number of cages accordingly, you are required to provide with me the number of young birds you planned to exhibit or to sell **by Wednesday, August 10<sup>th</sup>, 2016**. Also, if you have any suggestions for this event please let me know. I can be reach either by telephone at 819-455-2778 or by e-mail at [mountainviewloft@outlook.com](mailto:mountainviewloft@outlook.com) .

On the following pages you will find documentation provided by Mike Vito and a couple pictures of Ben Fehr's young birds.
